24 Hour Road Service
(123) 456-7890

MetroPro Road Services operates Orange County's largest towing service, proudly responding to over 3,000 calls a month for police-directed towing, private property impounds, vehicle transportation, and emergency road services.

We're setting a new industry standard through an unmatched attention to details, a singular commitment safety and an overwhelming desire to exceed the expectations of our customers.

"MetroPro consistently provides upgraded and well maintained trucks and equipment. They regularly train their drivers on the latest techniques and safety procedures."
D.E. McKenna Lieutenant Commander
California Highway Patrol

Family owned and operated for over 35 years, the MetroPro vision is to provide value to our customers through consistent, quality service.

Raising the Bar
